

Saying Goodbye

In honor of our therapy animals who passed away and whose passing we learned of between April and June 2022. Our hearts go out to their families, and to the clients and communities whose lives they touched through their work.

Mystery was one of the horses with SOUL Harbour Ranch, an Illinois-based AAI organization that trains multiple handlers to work with their stable of mini horses. This model meant that Mystery had dozens of handlers during her time as a Pet Partners therapy animal. Due to the scope of her service we have chosen to list her and her handlers at the end of this list.

Mystery	Miniature Horse	served with	Jodie Diegel in IL
