# SUPPORTING PET PARTNERS SUPPORTS YOUR COMMUNITY.

## INSPIRE HOPE

Our Animal-Assisted Crisis Response teams are trained and credentialed to provide emotional comfort and support in the wake of crisis events such as natural disasters and community tragedies.

## NURTURE LEARNING

Pet Partners teams promote literacy with our Read With Me™ program. Research shows that when reading to a therapy animal, children feel at ease because animals just listen and don't judge.

## IMPROVE HEALTH

Our Walk With Me™ program is a popular program with people of all ages. A stroll with an adorable therapy dog or mini horse is sometimes the perfect motivation to keep folks active and healthy!

## CARE FOR SENIORS

Pet Partners therapy animal teams make life-changing visits to thousands of seniors each year at retirement and assisted living facilities.

## ENCOURAGE CHILDREN

A recent pediatric cancer study shows that therapy animals help motivate patients to participate in their treatment so they can “get better” and stay optimistic over time.

## HONOR HEROES

Our teams visit thousands of veterans, service members, and children of deployed military parents each year at VA facilities, summer camps, and senior care communities for veterans.
