STEPS TO BECOMING A THERAPY ANIMAL TEAM

1 Create an account and start a team registration

Create an account in our Volunteer Center at volunteer.petpartners.org/volunteer/login. Once logged in, click "My Registrations" and then "Start a Team Registration."

2 Take the Pet Partners Handler Course

The key to safe, effective visits is the training for the "human end of the leash"—you. This course can be taken in person or online.

3 Complete your Pet Partners Animal Health Screening Form

Our Animal Health Screening Form confirms that your animal is healthy and able to participate in the program.

4 Sign up for and attend your team evaluation

This is when you and your pet demonstrate that together you are able to conduct meaningful visits.

5 Complete remaining sections of your application

Review and accept the terms of the Volunteer Agreement. Learn about our special initiatives like Read With Me™ and Animal-Assisted Crisis Response.

6 Submit your application and complete a background check

To finish up, submit your application and follow instructions for your background check.
