

Incentives

To show our gratitude for your participation, we have included some thank you items for pet candidates, their supportive pet parents, and fundraising committee members.

Once your pet completes their nomination process and raises at least \$75, they will be sent their official pet candidate bandana. Don't forget to snap a picture of your pet in their bandana and upload it to their personal fundraising page!

For pet candidates who raise \$250 or more, the pet parent will receive an official pet parent polo for their incredible fundraising efforts and support. There are additional upgraded incentives when you raise \$250 or more.

Visit petpartners.org/petoftheyear for more information on these incentive choices.

**Please note: individual incentives will be awarded based on fundraising totals on personal pages, not on team totals. Non-registered donors do not qualify for items. Pet Partners reserves the right to substitute an item of equal or greater value or to change the recognition item program at any time.*
